Introduction

Founded in June 1995, the Home is the first Long Stay Care Home run by Tung Wah Group of Hospitals. It renders not only domiciliary care, but also rehabilitative services for the chronic mental clients, so that they can be reintegrated into the community. In recognition of a generous donation of \$18.5 million from Mr. Yeung Sing's family to support the capital cost, the Home is named after the late Mr. Yeung Sing as "Tung Wah Group of Hospitals Yeung Sing Memorial Long Stay Care Home" in 1998. Since 2003, the Home expanded its service to those People in Recovery (PIR) aged 15 or above.

Objective

The Home aims at developing residents' strengths; creating a homely, supportive and therapeutic environment to facilitate our residents to reintegrate themselves to society; achieving the best possible state of physical and mental wellness.

Scope of Services

- Residential and meal services
- Nursing care
- Counseling and therapeutic programmes
- Occupational therapy
